

Biennial Index

Spring 1994–Autumn 1995

By George M. Jenks

This index covers numbers 170, 171, 172, and 173 of *Railroad History*, Spring 1994 through Autumn 1995. The previous biennial index, covering numbers 166 through 169 (Spring 1992 through Autumn 1993), appeared in *Railroad History* 170, Spring 1994.

Every article is indexed under the name of the author, the title, and usually one or more subject headings. Book reviews are indexed only by title under that heading. Book titles are italicized. The number of the issue is in boldface type and the inclusive page numbers follow.
